A collage of various photographs of students, likely from a high school yearbook. The background is a deep blue with a repeating pattern of the words "JUNIORS" and "GRADE ELEVEN" in a light, stylized font. The word "JUNIORS" is also written vertically in large, white, sans-serif capital letters on the right side of the page. The photos include: a row of seven small portraits at the top; a larger photo of a smiling male student in the upper right; a photo of a male student giving a thumbs up; a photo of a female student in a blue and black plaid shirt; a photo of a group of students playing cards at a long table; a photo of a male student in a white polo shirt; a large photo of a male student in a grey hoodie; a large photo of a male student in a green vest; a large photo of a male student in a black and white varsity jacket; and a filmstrip border at the bottom containing several smaller photos of students. A white star with the number "47" is positioned in the bottom right corner.

1st & foremost I would like to thank Allah & my family for making me who I am today. Respect to all my homies & ladies, who supported me through these years (???-TCI-BSS-WCS). No time to hoe-down two Figures & a cat, Squirrels! Dolphins, racoons. The memories will be cherished. It's all about how bad you want it. Work hard, & dedicate yourself to getting better every day. The night is a very dark time for every1 except for Alaskans, dudes with night-vision goggles, & My precursor proxy Optimus prime with a secondary RDX, Been called an ice-devouring hide the salami tornado. The past four years at Westview have given me many memorable experiences. The memories that I will always cherish are: my participating in the Senior Boys' Basketball team where we won the Regional Championship twice; winning the Track and Field Championship; and seeing my name on the Honour Roll list. It was a blast and a dream come true. I would like to thank Mr. Knight, Ms. Kelly, Mr. Toney, Ms. Romero, Ms. Nanton and Ms. Ramdass for all their love and support; also my two Basketball coaches, Clayton Thomas and Jermain Holness for always being there when I needed help. I'll miss you all!

This is a quote that stuck with
me through out the one year I was
at Westlawn.

In this year I have inspired and
accomplish everything in my
way. Everyone who knows
me knows that I can do almost
anything, I always go for it all.
When taking on more than one
thing, this lead me in helping anyone
with anything that they have to do.
But thanks must be given to the teachers,
students who has helped and supported me.
